

Sponsorship Opportunities

CommHIT23

Summit

Thursday, September 28, 2023

9AM – 3PM

Kennedy Space Center

Thank you for your interest in participating in **CommHIT23: Achieving Today's Advanced Workplace!** We are excited to share sponsorship opportunities with you that will allow you to reach leadership of businesses primarily in the Space Coast Region.

Audience

Attendees will be from all business sectors critical to Florida, including space, aerospace, transportation, health, tech, education, manufacturing, construction, and government.

Event Purpose

The event prioritizes how technologies, resources, and workforce development models are available now for businesses of all sizes to create a workplace with a thriving workforce.

About the Event

Albert Einstein once said, “Never give up on what you WANT to do. The person with big dreams is more powerful than one with all the facts.” Many organizational leaders have dreams of what tomorrow’s workplace will look like, what that workforce will be able to achieve, and how our workplaces will achieve those dreams “one day.” Big dreams are vital, and discovering the facts and opportunities to achieve those dreams is what the CommHIT23 Summit is designed to accomplish.

Come find out how powerful your dreams can be when empowered with the facts to achieve them—not tomorrow, but today.

About CommHIT

CommHIT is a 501(c)(6) housed at the Astronauts Memorial Foundation at the Kennedy Space Center. CommHIT focuses on the discovery and efficiency of processes and technologies dealing with the care of people—usually in rural, underserved, and other remote areas. Although CommHIT works on “earth,” CommHIT’s work deals with efforts that can be used for people in space—as they are remote.

CommHIT23 offers the following sponsorship levels:
