

The background of the entire image is a vibrant cosmic scene with teal and blue nebulae and numerous small white stars. A large, detailed green feather with a dark quill is positioned vertically in the center. To the right of the feather, a small hummingbird is shown in flight, enclosed within a thin white wireframe cube.

Sponsorship Opportunities

Ignite Your Brand at CommHIT25 with Debbie Allen!

Thank you for considering a sponsorship at CommHIT25—an electrifying summit set against the awe-inspiring backdrop of NASA's Kennedy Space Center. This two-day gathering unites innovators, policymakers, and industry pioneers to chart the future of health, technology, education, government, and space.

We're thrilled to unveil a select array of sponsorship opportunities that will showcase your groundbreaking work in health, technology, education, government, and space to an elite assembly of decision-makers and visionaries. Seize this chance to lead the future—partner with us at CommHIT25!

Meet Our Keynote: Debbie Allen

Debbie Allen's career is a masterpiece of creative excellence, and business leadership. Receiving an Academy Award in 2025, she is the winner of 5 Emmys, 2 Tonys, a Golden Globe, and 5 Image Awards. Debbie has left an indelible mark on Broadway, film and television in classics such as *Amistad*, *Fame* and *Grey's Anatomy*. Beginning in season 21 of the seminal series, Debbie serves as executive producer, director and star, becoming the first woman in history to mark this extraordinary accomplishment. Beyond the stage, big screen and television, Debbie channels her artistic passion into philanthropy, uplifting communities worldwide.

Debbie's responsibilities as CommHIT's Ambassador for Workforce Development and Apprenticeship, encompass her visionary spirit as CommHIT builds major workforce opportunities. Now, this icon will share the same wisdom, science, talent and dedication that fuel her excellence, artistry, discipline and professionalism to supercharge your organization's visibility and growth.

Seize this opportunity to ally with members of our elite audience of leaders and position your organization at the center of health, technology, education, government, and space breakthroughs.

Why Sponsor CommHIT25?

Position your brand at NASA's Kennedy Space Center—the launchpad where ambition takes flight—as an Official CommHIT25 Sponsor. Your organization will enjoy premier exposure at the event where Debbie Allen and other industry luminaries unveil their playbooks for commanding visibility, mastering expert positioning, and cultivating the resilient, success-driven mindset required to lead at the highest level.

Audience

Expect hundreds of attendees from all of America's most critical business sectors. These include space, aerospace, transportation, health, tech, education, entertainment, manufacturing, construction, and government. A list of last year's attending organizations can be found at the end of this prospectus. The majority of CommHIT25's attendees will be from Florida or do business in Florida.

CommHIT25 Theme

"Coopetition | kō,äpə'tiShən: The Art of Competing and Collaborating" will explore how competitors can strategically work together to solve complex challenges that no single organization could tackle alone. This event is geared for leaders responsible for navigating competitive landscapes, forging strategic alliances, or driving breakthrough innovation under pressure.

Sponsors can receive:

- High-impact branding across pre-event marketing and on-stage moments, woven seamlessly into the agenda
- Exclusive networking interludes that connect you directly with senior decision-makers eager to forge partnerships and secure commitments
- Robust digital and on-site visibility that cements your reputation as a catalyst for innovation and growth

About CommHIT

CommHIT, a 501(c)(3) nonprofit organization, operates in 48 states, D.C., and across U.S. territories, with headquarters at the Kennedy Space Center. CommHIT additionally maintains offices in Flagstaff, AZ, the U.S. Virgin Islands, and San Diego, CA. CommHIT specializes in designing and running complex programs focused on community, health, and technology—in major cities as well as rural and remote areas. Although CommHIT works on "Earth," CommHIT's work deals with efforts that can be used for people in the most remote of settings—space.
