## ABOUT GEORGE

George Mazevski, PMP, is President and CEO of Govsphere, a management, strategy, and technology consulting firm that helps government and healthcare organizations implement complex transformation initiatives.

With 25+ years of experience in strategic planning, process improvement, systems integration, and program management, he has led projects for federal, state, and local agencies as well as healthcare organizations across the country. Throughout his career, Mazevski has helped organizations navigate large-scale operational and technology modernization efforts, bringing together stakeholders, systems, and processes to achieve measurable outcomes. His experience spans healthcare, information technology, public administration, and organizational transformation, with a focus on turning strategy into sustainable execution. As a partner in CommHIT Everywhere, Mazevski helps advance the program's veteran-focused in-home care initiatives. His work supports the coordination of technology, providers, caregivers, and community resources to improve access to care, strengthen outcomes, and help more veterans receive services safely and effectively at home. Mazevski holds bachelor's degrees in Political Science and Economics, as well as a Master of Public Administration from the Maxwell School of Citizenship and Public Affairs at Syracuse University.
