The Human Signal: What Your Voice Communicates Before Your Words

ABOUT TRACY

Tracy Goodwin has spent 35+ years revealing the subconscious sounds shaping every conversation, sale, and leadership interaction.

She is the Creator of an Entirely New Category: Psychology of the Voice®. Psychology of the Voice® focuses on the hidden, subconscious vocal patterns that communicate safety, certainty, confidence, or hesitation before a listener processes the words. Tracy has coached executives, celebrities, and entrepreneurs worldwide, and developed tools such as Voice Masks®, Voice Stories®, and the 7 Layers of Sound™. Tracy will be working with attendees from the stage at CommHIT26!
